Principal's Message

The third quarter is well underway and I am constantly pleased with the high level of teaching and the student commitment to learning at West Ranch High School. Also, thank you to parents who continue to support their children and West Ranch.

Just an update regarding the Parking Lot Solar Installation: The work is ahead of schedule and we would like to thank everyone for their patience and for your help in accommodating this process. This is the last phase of construction of new physical structures. The work areas are expected to get smaller for the upcoming work as the steel canopy installation was fenced on Saturday, February 25th. Drop off traffic will enter in the lower driveway entrance, and student parking will continue to enter in the upper driveway at the signal. Parents and family members needing short-term visitor parking should enter via the drop off route and follow signs for short-term visitor parking. Barricades and directional signs are set up with an intentional pattern.

Please mark your calendar for Thursday, March 22nd to attend Starbucks with the Principal. This is an informal time for parents to gather and talk with one another with your principal about any topic from school to parenting. We meet at the Starbucks near Noah's Bagels at the corner of The Old Road and Stevenson Ranch Parkway. See you there!

Thank you for your continued support of West Ranch. I hope to see you this spring at one of our many athletic events or concerts.

Sincerely yours

Bob Vincent

NAVIANCE

Hopefully by now you have had a chance to log into Naviance and see everything it has to offer. Remember that Naviance is a comprehensive web-based service that you can use to help make decisions about colleges and careers. Your student has already been using Naviance to explore careers, college majors, colleges, and take assessments to help guide them through the process.

To access Naviance, you will need your students username/password, which has been provided to your student when he/she was introduced to Naviance. If your student does not remember their log-in information, please have them see their counselor or you can email your students counselor for access. To access help or to get more information regarding Naviance, please visit our website at www.westranchhighschool.com. Click on "Parents" on the left-hand side - then Naviance. This link will give you more detailed information on everything Naviance has to offer.

We hope you find this program helpful and if you have questions, please don't hesitate to ask.

Scholarship Opportunities

Seniors can now check the Scholarship-of-the-Week board located in the 500 Counseling Office for weekly scholarship opportunities. A list of all posted scholarships will also be listed on the College page of Naviance. Most scholarships can be used for any post-high school education, including community college.

Another great website for all grade levels inquiring about scholarships, is FastWeb.com. The student

will be prompted to create a profile that will link them to scholarships they may qualify. This is a helpful tool for any student who is wanting to get a jump on their future education needs.

For more information contact Mrs. Cazan at ccazan@hartdistrict.org.

Notes From The Library

Our West Ranch Library often has every chair occupied before school, brunch and lunch. We open at 7:30 am and students can use the library until 4:00 pm. (Mon- Thurs) 3:30 on Fridays. While our funding continues to be non-existent, Parents, teachers and student donations have helped Mrs. Erickson continue to add materials that support the curriculum for our core and elective subjects as well as meet our vision of helping students read for information and pleasure. You can help too by using your Target Red Card with West Ranch Library as the beneficiary, Honor a loved one with our Honor with Books program. Contact Mrs. Erickson for details or check the library webpage.

This January began the level second level library orientation for all of the tenth students. Students were introduced to the electronic libraries or databases accessible to all students here at West Ranch or if used at home, with the password “wrwildcats”. These authoritative resources like a library have books, magazines, newspapers and primary source documents for student research. Check the library website for these powerful research tools at <<http://www.westranchohighschool.com/library/databases.htm>> In addition to research, students can take practice PSAT, AP, SAT, ACT or other tests on the Testing and Information Reference database.

Students who finished a single semester course: Health, Government, Economics, etc., return the textbook to the library. Please encourage your child to cover all their textbooks. The textbook prices range from \$70 to over \$100 each and textbook covers help to prevent damages. Plastic bags are helpful on rainy days to keep back packs dry and avoid water damage to textbooks.

School supplies are available at the library, to help students complete a class project. The library offers a variety of materials at a nominal charge including: posters, spiral notebooks, composition books and more. All funds raised help purchase new library materials.

Students: Read and earn a scholarship from the Ayn Rand Foundation. 9th & 10th grade read *Anthem* to win \$2000 or 10th, 11th and 12th grade read *We the Living* to earn \$3,000 or 11th & 12th Grade read *The Fountain Head* to win \$10,000. West Ranch Library has the details and books available to borrow.

Project Prom

Sponsored by the Wm. S. Hart UHSD in partnership with
the Assistance League® of Santa Clarita

Prom is an important event in the lives of American high school students. We believe that every student should have the opportunity to enjoy prom regardless of their economic status. Each qualifying student may receive some or all of the following:

- ✦ Formal dress, suit, or tux voucher
- ✦ Shoes, jewelry, evening Bag
- ✦ Males (Shampoo, cut and style) or Females (Shampoo, style or “up-do”)
- ✦ Corsage or boutonniere
- ✦ Partial prom bid scholarship (limited number)

District staff will identify Hart District students who are economically “in need” of Project Prom Assistance. Adult volunteers will personally assist students in selecting their attire and/or alter clothing for a custom fit.

There are many ways you can help!

1. Donate “gently-used” formal attire, shoes, or accessories:
 - ✦ Formal dresses—less than 5 years old, in good condition, and in dry cleaner’s bag. Please no mother-of-the-bride or bridal party dresses.
 - ✦ Tuxes or men’s dark suits (complete suit please)—suitable for prom, in good condition, in dry cleaner’s bag.
 - ✦ Women’s or men’s formal dress shoes in near-new condition
 - ✦ Formal jewelry or evening bags
2. Write a check to Hart District Project Prom and send to Terry Deloria at the district office
3. Donate online at <http://www.hartdistrictprojectprom.org/>
4. Purchase items that we have in limited supply (jewelry, evening bags) and donate.
5. Play Blingo Bingo to support prom bid scholarships.
6. Spread the word!

West Ranch High School Internet Stock Market Competition

West Ranch High School Win in Internet Stock Market Competition

The Introduction to Business Courses A & B and Stock Market Club at West Ranch High School have been participating in a Virtual Internet Stock Market Competition. The competition, held nationwide, holds sessions for participation twice a year during both semesters at school. In the Stock Market Competition, students start with a virtual cash account of \$100,000 and strive to create the best-performing portfolio using a live trading simulation.

This past Fall, Mrs. Cox congratulates students for winning and taking 7 of the top 10 placements in the Southern California category, 15 Week Competition out of over 1,300 Teams.

1 st Place	Carlos Saenz
2 nd Place	Joey Janaszek & Matt Hartzel
4 th Place	Benjamin Deuson & Alexandria Dubin
5 th Place	Benjamin Deuson & Alexandria Dubin
6 th Place	Waleed Haddad
7 th Place	Josh Sabin & Elyssa Gedalje
9 th Place	Ammaar Hyder

In building a portfolio, students research and evaluate stocks, and make decisions based on what they've learned. Teams trade common stocks from the NYSE, Nasdaq and AMEX exchanges; earn interest on cash balances; pay interest if buying on margin and pay a commission on all trades. To determine why certain stocks perform the way they do, discussions of the global economy are included.

The Stock Market Competition is engaging, and the learning is a natural part of the experience. The hands-on process and life long skills of learning about the stock market and investing are rewarding and FUN!

Future students wanting to learn more about Business, the Stock Market, International Competition, Entrepreneurs, Marketing and Advertising are encouraged to sign up for Introduction to Business A or B. For more information, please see Mrs. Cox in room 511.

Health Office Procedures

When children become ill at school, they will receive every care and consideration and parents will be contacted. With so many students and little space in the health office, we ask for your full cooperation in picking up a sick child in a reasonable amount of time. We do not have the accommodations for a child to sit in the health office for an extended period of time, and generally they need to *return to class after approximately 15 minutes*.

If, however, they are deemed quite ill, they need to be picked up as soon as possible. If parents cannot pick up the child, they will need to make arrangements with a relative or friend and convey this information to the health technician. It is our goal to maintain the health and safety of every child.

Children should be kept at home if they have the following:

- Temperature of 100 degrees and over and/or a fever the previous day
- Diarrhea
- Green nasal discharge
- Eye infections
- Illness during the night
- A rash associated with children's diseases or of unexplained origin

~Your cooperation is very much appreciated in keeping our students healthy~

Medication-Prescribed and over the counter

All medications require a District medication form to be completed by Parent and Doctor. This form is available in the Health office. When completed, the form must be returned to the Health office. Any student found with medication at school, who does not have the appropriate forms filed in the Health office, will have his medications confiscated, and the medication will be released only to a parent

Physical Education Excuse Notes

A parent may write a note excusing a student from PE for one to three consecutive healing days maximum. If a student is not able to participate in PE in excess of three consecutive healing days, a note from a physician stating the duration of the PE excuse note is mandatory. If a student can participate in MODIFIED PE, (e.g. walking versus running, no upper body, etc), a note from a physician is mandatory and must state the nature and duration of the modification.

Attendance Policy

1. Parents/guardians are to call or write a note of excuse within 24 hours of absence. According to Education Code 48260, any student who is absent from school without a valid excuse for three or more days will be considered a truant. Parents/guardians should provide written medical, and or legal notices when possible.
2. Students who are continually tardy to class will face disciplinary actions from teacher or administration. Students who are 30 minutes late or more need to bring a note to the attendance office clarifying the tardy before going to class.
3. Students leaving campus for any reason without an off-campus pass or verified open period, must check out either through the Attendance Office or Health Office. Students are not permitted to go off campus for lunch, without a valid off-campus permit. Those students without off-campus lunch passes must be checked out by their parent/guardian during our lunch our in person.

The intent of this policy is to call the attention of parents and students to the importance of class attendance and provide for greater student accountability for make-up work. It is not our intent to punish students who are ill or have family emergencies.
